

Street Entertainment Program BuskSTOP Application

Downtown Salmon Arm values the unique character and vibrancy that buskers bring to our downtown core. As a **registered performer**, you can choose from nine designated BUSK STOPS, strategically selected for their high visibility and foot traffic while remaining compliant with **City of Salmon Arm Bylaws No. 4273 and No. 2037**.

To participate, performers must submit a completed application in person, including a signed agreement confirming their understanding of and adherence to the **Service Agreement for Downtown Salmon Arm BuskStop Permit Holders**.

Important Notes:

- While **Downtown Salmon Arm** administers the BuskStop program, it operates under the authority of the **City of Salmon Arm Bylaw**.
- A list of all permitted performers is shared with Bylaw Officers annually.
- **Permits must be visible** while performing in Downtown Salmon Arm.
- This agreement applies only within the Downtown Salmon Arm Business Improvement Association boundary and at designated BuskStop locations.

We appreciate your contribution to the energy and atmosphere of our downtown and look forward to supporting local performers!
